

**FOR IMMEDIATE RELEASE**

**FREE COFFEE DAY AT BRUEGGER'S ON NOVEMBER 9TH**

*Patrons asked to give back to Duke Children's Hospital & Health Center*

**WHAT:** On November 9 from open until 2 p.m., visit any participating central North Carolina Bruegger's for a free medium drip coffee and donate your spare change (or more) to benefit Duke Children's Hospital & Health Center, a nationally-ranked pediatric academic medical center.

Bruegger's "Free Coffee Day" is part of a national fundraising program to benefit nearly 50 children's hospitals across the country through the Children's Miracle Network Hospitals. Bruegger's will also donate a portion of proceeds from its annual Bottomless Mug sales to Duke Children's Hospital & Health Center. Guests who purchase a Mug will receive unlimited free refills of Bruegger's coffee, tea or soft drinks for a full year – and help the sick and injured children of their community.

This will be Bruegger's second year to host its National Free Coffee Day and Bottomless Mug fundraiser for Children's Miracle Network Hospitals. The bakery café operator hopes to donate \$100,000 to children's hospitals in the neighborhoods it serves.

**WHEN:** Free Coffee Day will be held on November 9 from open until 2 p.m. Bakery opening hours may vary by location. Please go to [www.brueggers.com](http://www.brueggers.com) for more information.

**WHERE:** Duke Children's benefits from every Bruegger's bakery in central North Carolina. For a full list of bakeries go to: <http://www.brueggers.com/about-us/bakery-locations>.
